The MSRP (manufacturer stated retail price) value is the value stated by the manufacturer themselves. This does not reflect the sole opinion of GAL and/or their employees. This value is the approximate price at which comparable merchandise could be priced out in a full retail jewelry store without discounts, handling merchandise of comparable quality. Actual price paid will vary. The customer or purchaser should not expect to be able to resell the item for the appraised and/or purchased amount. **An Appraisers' bona fide opinions as to the RETAIL value of jewelry items vary by up to 30%. In making this evaluation, the appraiser does not agree to purchase or replace the articles.** All weights are approximate or as stated unless stones are submitted loose and are weighed.
